

THE **EFCO** & DIADEM\* ARE PLEASED TO PRESENT

# THE NEW **CAICOR** WORKSHOP

Contribution of **AI** to **CO**rrosion **RE**search

**SEPTEMBER 10, 2026, AFTERNOON**

From 2pm to 6:10 pm

after EUROCORR

The workshop invites contributions exploring how artificial intelligence can support and advance corrosion research.

Topics may include:

- Corrosion-resistant materials and protective coatings
- Corrosion data analysis
- Corrosion prediction and prevention
- Image-based analysis for rapid diagnostics

Free of charge
